The Dwelling erected or to be erected on the Property shall, subject to limitations imposed by design or construction, contain the features listed above. Variations from the Vendor's samples may occur in selected items including, without limitation, bricks, finishing materials, kitchen and vanity cabinets, floor and wall finishes due to variances in manufacturing, use of natural materials and scheduling. The Vendor does not, therefore, guarantee identical matching to showroom or model home samples. The Purchaser acknowledges that the Vendor's model homes, if any, have been decorated for public display purposes and may contain certain features, upgrade finishes and augmented services which may not be included in the basic model type. Due to grading conditions, risers and railing may be necessary at the front and rear entries.
