The site plan illustrates the layout of The Conservancy development. It features a mix of housing types: The Summit Series (orange), The Perfect Townhome (purple), and three different collections of townhomes (35', 41', and 42' foot lots in various shades of green and yellow). The development is bounded by Strandherd Dr to the north and Borriskane Road to the west. To the east, it borders existing residential areas and a school. The plan includes several parks, Foster Creek, and designated areas for future development. A location map inset shows the project's proximity to downtown Ottawa, with a 26km distance marked. A north arrow is located in the top right corner.
